The Rev. Kirk A. Kubicek has served as a Stewardship Consultant with parishes and dioceses since 1986, and frequently assists in leading TENS and other Stewardship conferences. The Rector at Saint Peter's Episcopal Church in Ellicott City, Maryland, since 1994, he has served in corporate-, program-, and pastoral-size parishes throughout his ministry.

Through storytelling, music, Bible study, humor and prayer, Kirk - with his familiar guitar - brings the Stewardship message alive in parish training events, banquets, workshops, diocesan conventions, clergy conferences, and Sunday morning worship. He can assist in designing and executing year-round Stewardship programs as well as the Annual Giving Campaign.

In his column *Clergy and Money*, a regular feature in TENS' newsletter, Networking, Kirk addresses the full spectrum of money issues that arise in congregations of all kinds. He has been a popular presenter at several of TENS' conference events. His music CD and video - both titled "Jesus Calls Us" - is available through the TENS website.

He authored a Leaders Guide for *Living With Money* (now out of print). *Living With Money* is a video and written resource for congregations. Kirk's work with The Ministry of Money, a mission of the Church of the Saviour in Washington, D.C., includes providing leadership for their Money Workshops, and he currently serves on the Ministry of Money Board of Directors.

A life-long die-hard fan of the Chicago Cubs, Kirk Kubicek lives in Sykesville, Maryland, with his wife Mallory, their three children Harper (1986), Kurk Alan (1988), Cerny (1994), and Lucky the Whippet!
