## Best Practices

# Learning Objectives

1. Analyzing trends in giving – understanding donor relations
2. Identifying and teaching the Mission
3. How to recruit, train, and support leaders who lead
4. How to measure impact in your community
5. How to adapt your approach to fundraising

*Introduction*

# Lessons from Nonprofits about donor relations

- ▶ Donor Relations can apply to churches as well as nonprofits
  - ▶ Our members have **many motivations to support the congregation**; we can't make simple assumptions based on old models
    - ▶ Generational changes
    - ▶ Some member still give out of a sense of *duty*, but many more give because of *impact*, or *belonging*
  - ▶ It is a responsible and ethical part of stewardship to **analyze our members' giving and understand how to motivate them**

# Lessons from Nonprofits about donor relations

- ▶ What does it mean to analyze **donor trends**?
  - ▶ **Congregational leadership should have a good sense of how members' giving is performing year to year.**
    - ▶ You can run reports with individual pledging units and the names removed, if your culture desires confidentiality
  - ▶ Run your report to show at least three years side by side

# Lessons from Nonprofits about donor relations

- ▶ Employ a *Moves Management* exercise to your pledge campaign
  - ▶ Process to learn, strategize, intervene, and move a donor from one level to another
  - ▶ Affinity – how does your mission resonate with a member
  - ▶ Access – how close are you to a member
  - ▶ Ability – how much is a member able to give / what can be expected

# Steps

*Why donors plateau*

- ▶ This congregation has 68 households that pledge.
- ▶ Together, they contribute \$272,800
- ▶ Average gift size is \$4012, a little above the national average
- ▶ This tool can be used to envision what it would be like to move up a level, and how much that would increase the pledge campaign totals

# Lessons from Nonprofits about donor relations

- ▶ Where does a pastoral relationship fit into all this analysis?
  - ▶ Donor Analysis sometimes feels like we are removing the individual from the relationship. **But in church, we know we can't do that.**
  - ▶ When we look at donor data in church we should
    - ▶ **Pray** for that individual or family
    - ▶ Note changes in pledge or fulfilment as **possible pastoral issues**
    - ▶ **Remember what we know about them** through our relationships to know how to approach them

*Why donors plateau?*

**Tip: It's not just the clergy who hold pastoral relationships with members. We all take on this role as sisters and brothers.**

# Lessons from Nonprofits about donor relations

- ▶ Donor Fatigue is real
  - ▶ Churches have often thought they were immune to donor fatigue, **but our members get just as bored** with our approach as any other donors would
  - ▶ Donors who are **still in their earning years** who are making the same gift year over year are likely fatigued. *These members are on a pledge plateau*
  - ▶ *Now, let's explore how to help them*

# Your Mission

- ▶ Do your members know what your mission is? Are you sure?
  - ▶ Bringing Christ to the World
    - ▶ Is a fine mission. It's a little big for a single church, though.
  - ▶ Serving our Neighbors
    - ▶ Serving them what? Or how? Be specific.
  - ▶ A Place Where All are Welcome
    - ▶ Sounds nice, but welcome to do what? Why?
- ▶ Everyone in your congregation should know what your mission is

*Mission-focused Members*

# Your Mission

- ▶ Mission should be
  - ▶ Impact-focused
  - ▶ Local
  - ▶ Inspiring
  - ▶ Inclusive
  - ▶ Aspirational
  - ▶ Easily articulated
  - ▶ Teachable
  - ▶ Accessible
  - ▶ Revisited from time to time as the neighborhood and membership change

*Mission-focused Members*

# Your Mission

- ▶ When your members know your mission, they can
  - ▶ Tell others about it
  - ▶ Get behind it
  - ▶ Pray for its realization
  - ▶ Advocate for it
  - ▶ Input their ideas
  - ▶ Support it with their gifts of time, talent, and treasure
  - ▶ Pull in the same direction

*Mission-focused Members*

# Your Mission

- ▶ Don't assume that members know what your mission is
  - ▶ Vestry goals for growth
  - ▶ Long-term plans
  - ▶ Capital plans
  - ▶ Program incubation
- ▶ Teach about your mission
- ▶ Preach about your mission
- ▶ Communicate frequently about your mission

# Are your leaders leading?

- ▶ One of the most significant reasons that members do not donate (or donate more) **is because their leaders do not ask more of them**
  - ▶ Stewardship or vestry that talk about money in public only during pledge season
  - ▶ Focus on the pledges and not on generosity

*Stewardship Leadership*

THE EPISCOPAL  
NETWORK FOR  
STEWARDSHIP

# Are your leaders leading?

- ▶ The stewardship team is NOT the fundraising committee. As important as it is to raise money for church ministry, **the focus of the stewardship team is to encourage Christians to use their God-given gifts in ways that honor God.**
  - ▶ Formation
  - ▶ Prayer
  - ▶ Generosity and Gratitude
  - ▶ Inspiration

*Stewardship Leadership*

THE EPISCOPAL

# Alignment

- ▶ Generosity and fundraising ministry **should be in alignment** with other program areas
  - ▶ Adult and youth formation
  - ▶ Confirmation and inquirers classes
  - ▶ Budget and finance
  - ▶ Planned giving / legacy
  - ▶ Capital committee / buildings & grounds
  - ▶ Communications, newsletters, website, social media

*Stewardship Leadership*

# Generosity

- ▶ Are your leaders generous?
  - ▶ They don't have to make the largest gift, but their gift should set an example
  - ▶ Your leaders should talk about their giving
    - ▶ What inspires them
    - ▶ Why they choose to make a gift
    - ▶ Advocate proportional giving
  - ▶ Do they show up at events? Are they publicly supportive?
  - ▶ Do they support each other and the decisions that they make?

FOR IT IS

# Recruiting Generous Leaders

According to the Rt. Rev. Dan Edwards, Bishop of Nevada, **your stewardship committee should be in place by Easter.**

- ▶ An effective team will raise more money to *fund the church's mission.*
- ▶ They *engender support and appreciation* for all the other parish ministries.
- ▶ The project is a chance for the members of the team to *form or deepen relationships* that are the lifeblood of the congregation.
- ▶ They spread *a spirituality of grateful generosity*, thereby enriching the lives and enlarging the souls of the congregation.

*Recruiting Generous Leaders*

THE EPISCOPAL  
NETWORK FOR  
STEWARDSHIP

# Recruiting Generous Leaders

- ▶ *People who know people:* The team's strongest influence is on their friends. You need people who are connected.
- ▶ Diversify the team according demographics like age, gender identity, and racial identity.
- ▶ If the congregation has more than one worship service, include people from the different worship services on the team.

*Recruiting Generous Leaders*

THE EPISCOPAL  
NETWORK FOR

# Recruiting Generous Leaders

- ▶ *People who love the congregation.* The Campaign Team represents the congregation to the congregation.
- ▶ How they feel about the congregation and its leadership, both lay and clergy, will come across.

*Recruiting Generous Leaders*

# Recruiting Generous Leaders

- ▶ *People with a heart for stewardship.* Not everybody is born to raise money or is comfortable asking for it.
- ▶ Find the people in your congregation who have such a heart for the mission that they can boldly ask their peers to support it.
- ▶ Stewardship is about more than the pledge campaign, it is the life of generosity and worldview of abundance that leads us into Christian community.

*Recruiting Generous Leaders*

THE EPISCOPAL

# Recruiting Generous Leaders

- ▶ ***People with skills.*** The chair needs organizational skills to get the job done – like running a meeting, ending with action steps, and setting up accountability.
- ▶ ***People with credibility.*** Who you appoint to the team tells the congregation whether this is important or not. You need someone on the team who has the respect of the congregation.
- ▶ ***People with time.*** Choose someone who can be freed up from some of his or her other church work for a year. Do not choose your wardens, your treasurer or your finance committee. *Counting money and raising it are usually incompatible.*
- ▶ ***People who can give themselves.*** These do not have to be your wealthiest members, but the team needs to be able to set an example of generosity.

# Impact is Investment

Your church cannot simply expect people to give out of a sense of obligation.

*There is an increasing desire among donors to know that their financial contributions are doing more than keeping the lights on—they want to know that their money is making a difference.*

*Impact Inspires*

THE EPISCOPAL  
NETWORK FOR  
STEWARDSHIP

# Measuring Impact

Not every congregation has big visible outreach ministries that have wide and noticeable impact. How do you measure impact in your church?

- ▶ How many new people joined your church?
- ▶ Did attendance increase in your small groups or Sunday school?
- ▶ Did you partner with local nonprofits to accomplish mission-focused work?
- ▶ What was committee, guild, and task force participation like?

*Impact Inspires*

THE EPISCOPAL

STEWARDSHIP

# Measuring Impact

1. Attendance
2. Missional participation
3. Volunteering
4. Online activity
5. Giving
6. Event outcomes
7. Connections
8. Growth
9. Attrition

# Changing your Approach

Reasons members give uninspired gifts (in order)

1. No one personally reached out
2. Same letter as last year
3. Same theme or approach as other years
4. Nothing new to report, no reason to increase
5. Church isn't growing
6. Community is changing
7. Budget problems

Are your campaign materials boring?

- *Do they tell the story of the congregation?*
- *Do they give measures and metrics about mission?*
- *Are they focused on the bills or the Bible?*
- *Are they focused on the budget or the mission?*
- *Do they have pictures? Testimonials? Videos?*

# Consider creating a Narrative Budget

- ▶ A Narrative Budget tells the story of your money and mission
- ▶ Spreads the fixed costs (salaries, building, utilities, administration) across program areas instead of line items
- ▶ Helps members understand the real impact of their funding on the mission (funding mission instead of funding a budget)

# TENS Theme for 2021

The theme and image for ***Every Perfect Gift*** are wrapped in the metaphor of the butterfly and chrysalis.

To the ancient Greeks, the butterfly represented the image of rebirth and freedom. The word they used for butterfly was *psyche*, and if you are thinking that sounds familiar, you are correct! It also means spirit. The humble and beautiful butterfly contains the philosophical and spiritual idea of the soul breaking free from its shell — free to **discover, to inspire, to create, to communicate, to share. *These are the results of our gifts of time, talent, and treasure***

*Keeping the Conversation Going*

*Every*
